Prof. Emin ERGEN

Secretary General of EFSMA

Dear Mr. President,

Dear Mr. Secretary General

On behalf of the Association of Hungarian Medical Societies, I am very glad to endorse the candidacy of the Hungarian Society for Sports Medicine to host the 12 th EFSMA Congress in Budapest in 2021.

The Hungarian Society for Sports Medicine is one of the most active members of our Association from the very beginning. They are very committed in sharing of evidence base knowledge of the role of health enhancing physical activity in prevention of NCDs and „*exercise is medicine*” practice in rehabilitation.

I am convinced that the Hungarian Society of Sports Medicine would organise a high scientific level Congress in 2021 and we give them all the support to the success.

Looking forward to a successful candidacy,

Sincerely yours,

Prof. Dr. István Karádi

President

Association of Hungarian Medical Societies
