Dear Mr. President, Dear Mr. Secretary General,

On behalf of the Hungarian Society for Sports Medicine, I am very pleased to express our interest in hosting the EFSMA 2021 Conference in Budapest.

The Hungarian Society for Sports Medicine has a long tradition, we celebrated our 50<sup>th</sup> anniversary last year. During this period we organized several national conferences. On the top of these, we hosted the 3<sup>rd</sup> and 6<sup>th</sup> European Congress of Sports Medicine in 1974 and 1991, and last but not least the XXVII FIMS World Congress of Sports Medicine in 2002.

Budapest, the "Pearl of Danube" served the venue for these events. Our capital has developed very rapidly in recent years becoming the 6<sup>th</sup> most popular city in Europe with 4.4 Million visitors in 2016.

Our candidacy is supported by the State Secretary for Sports, the President of the Hungarian Olympic Committee and by the President of the Association of Hungarian Medical Societies.

We are looking forward to receiving further details about the official procedure for the candidacy.

Sincerely yours,

Prof. Dr. Éva Martos

President

Hungarian Society for Sports Medicine
